• **ONE STOP SHOP FOR CLEANING REQUIREMENTS** •

Here at Eagle Eye cleaning we are obsessed with quality and customer reassurance. We look to deliver these two key aspects by establishing a comprehensive system which helps to set the foundations for each of the projects that we are involved in.

Our team and I have over 10 years of experience in commercial, industrial, and residential cleaning, and our team of professional cleaners are trained to provide a high standard of service on all jobs. We have set out to establish an extensive health & safety policy, which meets the requirement set out in the privacy act, and we also carry a **comprehensive public liability insurance of \$10 million (Lumley Insurance)**.

THE WAY WE WORK

For your piece of mind:

- 100% guaranteed
- All staff have completed their Site Safe Building Construction Passports and have photo identification.
- NZ Safety – Safe at Heights Course: Unit Standard 17600 based on AS/NZ 1891.4 standard
- NZ Safety – Confined Spaces Entry Course: Unit Standard 18426 based on AS/NZ 2865 standard
- Public Liability Insurance Cover: \$10,000,000 (Lumley Insurance)
- Eagle Eye to provide all cleaning equipment and cleaning solutions.

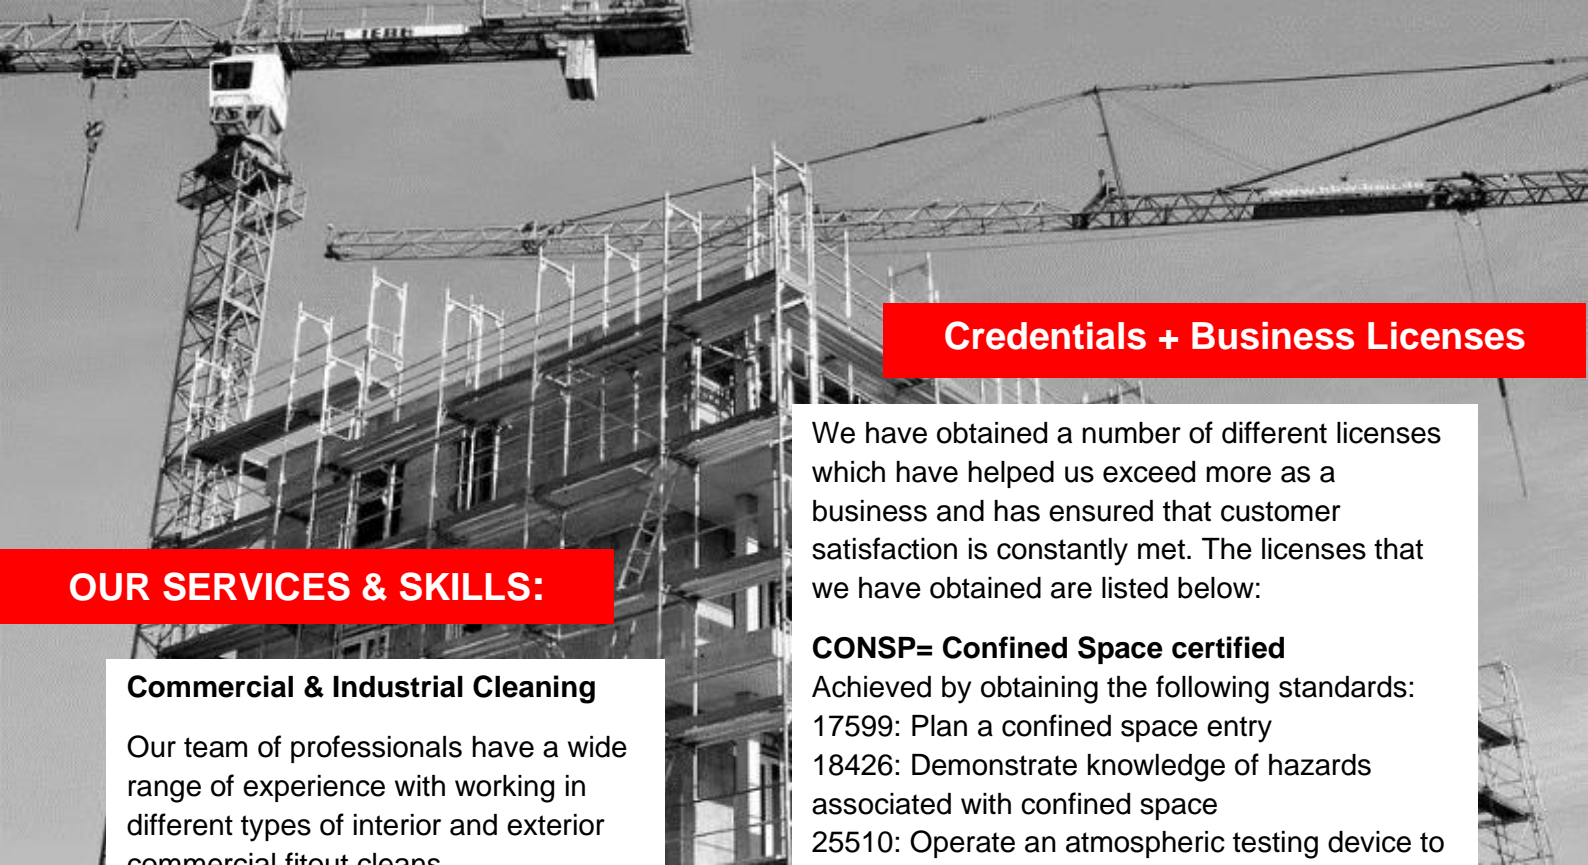

OUR PEOPLE

Our team consists of individuals who have been chosen from their past experiences and hold the appropriate credentials for their job position. Here at Eagle Eye Limited we have established training protocols and guidelines which helps our employees gain valuable and skills. Which is then applied to different sites and projects that we are involved in.

All Staff member have been trained to a high standard, and all of them are security checked and can be identified by their ID or high viz uniforms.

We have ensured that our teams of experienced staff are fully conversant with the privacy act, and our Health and Safety policy are met and followed thoroughly.

All staff members have completed the basic Site Safe building construction passport and have photo identification.
